### **SKT. PETRI**

SKT. PETRI is located in architect Vilhelm Lauritzen's heritage-listed building from 1928, which previously housed the Daells Varehus department store. After having been vacated in 1999, the building underwent a complete refurbishment in 2002-2003, a project overseen by Erik Møller Architects. A large atrium glass facade was added in the hotel lobby area and opened as a hotel later the same year. After a full refurbishment in 2016-17 the hotel now offers 288 rooms of which 26 are suites, including two restaurants and bar, lounge area, seven meeting rooms, a garden courtyard and a fitness studio, and offers a refined sense of laid-back luxury.
